

Feasting Menu

Groups (of 5 or more) reserving for the dining room at The Queen & Beaver may opt for our Feasting Menu.

We believe that the feasting approach enhances the sense of occasion that brings a large group of people together around one table. The current menu is available below.

We will be happy to guide you through the process of ordering and talk you through the dishes available. If you have something specific in mind, perhaps something you have enjoyed from our a la carte menu or a menu around a seasonal theme, we can discuss a bespoke set menu with you.

Menus are charged per head. The cost includes side dishes of seasonal vegetables and potatoes, but excludes drinks. If there are vegetarians in the group they are more than welcome to order from our à la carte menu. **Numbers for the roast choices must be firm once the order has been placed and the credit card information is received.**

No shows will be charged 50% of the confirmed price. Please give us 3 full days notice when ordering a roast.
