Yule Love Christmas at The Beaver!

At the Queen and Beaver, we live and breathe all things Christmas. Our festive menus are carefully crafted by our culinary team to bring you the best flavours of the season, our decorations make this beautiful old pub sparkle and shine even brighter, and our teams make every night one to remember!

We've celebrated our fair share of Christmases so we know a thing or two about throwing a party. You'll be sure to find the perfect nook for every kind of festive celebration, whether it's a much-overdue catch-up of old friends, a big office bash or you're needing ideas for a rare get-together with the whole family, to simply Christmas Drinks.

Book with us and see how we can make your Christmas celebration memorably famous. Get in touch with Jamieson at jamieson@queenandbeaverpub.ca and let us take it from here.
